A GRANDSTAND VIEW

A warm welcome to The Chorley Group Victory Park Stadium for our second pre-season friendly and a special welcome to all Bolton Wanderers supporters this afternoon. We at Chorley Football Club are immensely grateful to Owen Coyle and the Wanderers' staff for once again sending a team here as part of their pre-season preparations.

Last Saturday's curtain-raiser against Preston North End was a very useful work-out for both camps. While North End as usual came out on top (2-0), our players acquitted themselves really well and, competing strongly right to the finish, they would have been well worth the goal which only a brilliant save by Andreas Arestidou prevented Andy Russell from scoring.

Results, of course, are of little consequence in these games, the build-up to match fitness being all-important, and Garry must have been well pleased with the performances. The attendance of 1502 was most impressive and again showed the tremendous support for our club which last term's exciting promotion-charge has generated.

It was good to see club captain Wayne Maden returning to action in the second half, after his long lay-off through injury sustained early last season. And there was also an eye-catching debut by new signing Tom Williams from Clitheroe of whom much is expected. Fans will be

hoping today to see another fine signing making his bow, ex-Altrincham striker Chris Denham.

Our next two friendlies are away. On Saturday next, 23rd, we make the very short trip to Charnock Richard (3 pm) and then the following Tuesday we meet Bamber Bridge at Irongate for a game of special significance which deserves the fullest support. Bearing in mind the recently-announced and well-publicised link-up between Chorley FC and the local children's hospice, Derian House, it has been agreed to donate proceeds from this match at Bamber Bridge to the hospice. Garry has pledged that we will raise £10,000 for Derian House this coming season and special fund-raising events will be staged – look out for those, please. In the meantime, a substantial donation from the Bamber Bridge friendly on Tuesday, 26th July would make a fine start to the campaign.

Prior to the big kick-off on Saturday, 13th August, our final preparations see us taking on a Blackburn Rovers XI here at Victory Park on Wednesday, 10th August. Please note the kick-off time of 7.30 pm.

Enjoy the game.

MAGPIES LINK UP WITH HOSPICE

CHORLEY Football Club is teaming up with one of the town's best-loved charities in a unique partnership deal that is set to make Non-League history.

The name of Derian House Children's Hospice will be emblazoned across the Magpies' home shirts for the coming season, instead of a commercial sponsor.

And we have also pledged to raise £10,000 for the hospice over the next 12 months.

It is believed to be the first time a charity has taken the coveted space on a Non-League football club's team kit. The move echoes Spanish giants Barcelona, who bore the Unicef crest on their shirts three years ago.

Manager Garry Flitcroft said: "Derian House does some amazing work and it is clearly close to a lot of people's hearts, both in the Chorley area and further afield. "We hope by putting their name on our shirts it will help to raise their profile and prompt more people to support them financially."

Local businessman Ian Currie was instrumental in forging the partnership after he agreed to underwrite the sponsorship in return for having Derian House's logo on the front of our home shirts next season.

The club then took the idea a step further by pledging to raise £10,000 for the hospice over the next 12 months. Some fundraising initiatives have already been set in place. The club has agreed to donate its slice of the gate receipts from a pre-season friendly with local rivals Bamber Bridge later this month.

We will also donate 10 per cent of the profits from every new replica home shirt sold during the 2011/12 season.

Garry added: "We didn't just want to stick Derian House on the front of our shirts and forget about

it, we wanted to pledge some financial support too because we see this as very much a partnership. "We've got a firm plan in place and our aim is to raise £10,000 over the next 12 months.

"We'll be releasing more details shortly about how we plan to do it, and how our fans can get involved if they want to. "With so much interest in the club at the moment, we just felt it was the perfect time to do something like this."

Garry announced the partnership at a special press conference at the hospice this morning.

Fundraising Manager, Susie Poppitt, said: "We're delighted that Chorley Football Club has chosen to support Derian House in this way, and really appreciate their involvement with us. The club is clearly going from strength to strength and we are really excited about our partnership with them throughout the coming season."

Derian House provides specialist care for children with life threatening and terminal illnesses, and support for their families throughout Lancashire and South Cumbria, and with £2.6 million required this year to continue to provide this support, and less than 10 per cent of funding available from statutory sources, the charity depends on this vital support from individuals and businesses in the community.

VIEW FROM THE OTHER SIDE

HOW LAST WEEKS JACK KIRKLAND TROPHY CLASH WAS WITNESSED FROM A PRESTON PERSPECTIVE, from PNEFC.NET

Preston North End clocked up a 2-0 over Chorley to retain the annual Jack Kirkland Trophy.

A first half strike from star man Iain Hume followed by a Jamie Proctor goal in the second period was enough to give North End their win,

The victory over the Magpies kick-starts Preston's pre-season run in with the Lilywhites now travelling to Bamber Bridge on Sunday.

Manager Phil Brown opted for two sides to feature at Victory Park with a senior squad featuring in the first half before the young guns came in to finish the job off after the first 45.

Returning to action for North End was striker Neil Mellor who spent last year on loan at Yorkshire outfit Sheffield Wednesday where he scored 20 goals in all competitions.

Also making his long awaited return for the Lilywhites was young right back Conor McLaughlin after being sidelined since the 5th February following a nasty ankle break against Bristol City.

Local lad Danny Mayor was the first to threaten for North End on 11 minutes when he found room on the edge of Chorley's area only to see his shot deflected wide.

And two minutes later Mellor went clean through on goal following a defence splitting ball from Paul Coutts but the forward was ruled offside by referee Kevin Mattocks.

Five minutes later and Mellor again had his sights on goal when he struck a low drive in the side netting, nevertheless underlining his intent for the afternoon.

And it was Mellor's effort that kick-started his strike partner Hume into action to make it 1-0 to North End after just 17 minutes.

The Canadian international, who was Preston's top scorer last campaign, latched onto a McLaughlin through ball before curling his shot past the advancing Chris Howarth in the host's goal.

The Magpies found their own chance five minutes later when striker Steve Foster found himself in acres behind the North End back line following a Dale Whitham free-kick but the front-man mistimed his touch for the ball to run through to Andreas Arestidou in the PNE goal.

And the Evo-Stik Premier outfit soon threatened again when Magpies' centre half Andy Russell headed over a Tom Ince free-kick from close range.

Preston's next chance again came from Hume who weaved in and out of three defenders in the Chorley area before firing a left footed drive into the thankful hands of Howarth.

On the stroke of half-time Chorley almost found their way back into the game when substitute Tom Williams fired a low drive just wide of Arestidou's post.

Meanwhile, at the other end, Mayor saw his shot cleared off the line by Russell after fantastic ally rounding Magpies full-back Whitham before then taking it round Howarth in goal.

North End returned for the second period with ten outfield changes to their squad including five first year pros and one second year scholar - Doyle Middleton.

Chorley made only one change at the break bringing on former North End first year professional Nathan Fairhurst who left Deepdale in the summer of 2008 to join Wrexham.

But it was Middleton who created North End's first chance of the second period when his corner was met by Northern Ireland U19 Michael McLellan whose header was cleared off the line by Chorley left-back Tom Walker.

And McLellan was at it again in the 64th minute when he latched onto a fine cross field ball from Scott Leather before curling in a cross which was nearly turned into his net by substitute Wayne Maden.

One minute later and Preston should have doubled their advantage when forward Jamie Proctor went clean through but instead of shooting the youngster opted to go around the keeper allowing the defence to intervene.

But in the 71st minute the powerful striker made up for his earlier mistake when he broke clear, following a Maden mistake, to send a low drive into the bottom corner past the outstretched Howarth.

On 78 minutes Chorley nearly pulled one back following a defensive mix-up from Daniel Devine and Arestidou but the Lilywhites keeper managed to scramble back to spare his side's blushes.

In the final ten minutes North End's youngsters showed a cool head and saw the game out like an experienced outfit.

Preston now travel to Bamber Bridge on tomorrow in search of their second successive win in the space of two days.

WE'VE MET BEFORE

I began my contribution to last Saturday's P.N.E. programme with this paragraph about the illustrious predecessors of today's visitors:-

"Did you know that the week after Bolton won the F.A.Cup in 1923, the first final to be played at Wembley, the one famous for the policeman on the white horse trying to control the crowd, they played Chorley in a friendly at Victory Park? Chorley had won the Lancashire Combination Cup that season, so both trophies were on display at the match. Ten of the Wanderers' Wembley line-up played in the game, including David Jack, the first player to score at Wembley and also the first to be transferred for £10,000. A crowd of almost 6,000 watched the game which was unsurprisingly rather one-sided, ending in an 8-0 win for the visitors."

Since those days we have played each other in a number of friendly fixtures but as I only keep sketchy records of non-competitive matches I don't know how many such friendlies have taken place but of the eleven meetings for which I do have the scorelines since 1980 none of them show us as having come out on top. Some of the defeats were quite heavy too – two by 0-5 in 1980 and 1992, a 0-4 in 2000 and a couple of 1-4s in '94 and '96. The only slightly more positive results from our perspective were a couple of draws, the latter of which was of course prior to the start of last season when Matt Jansen's late

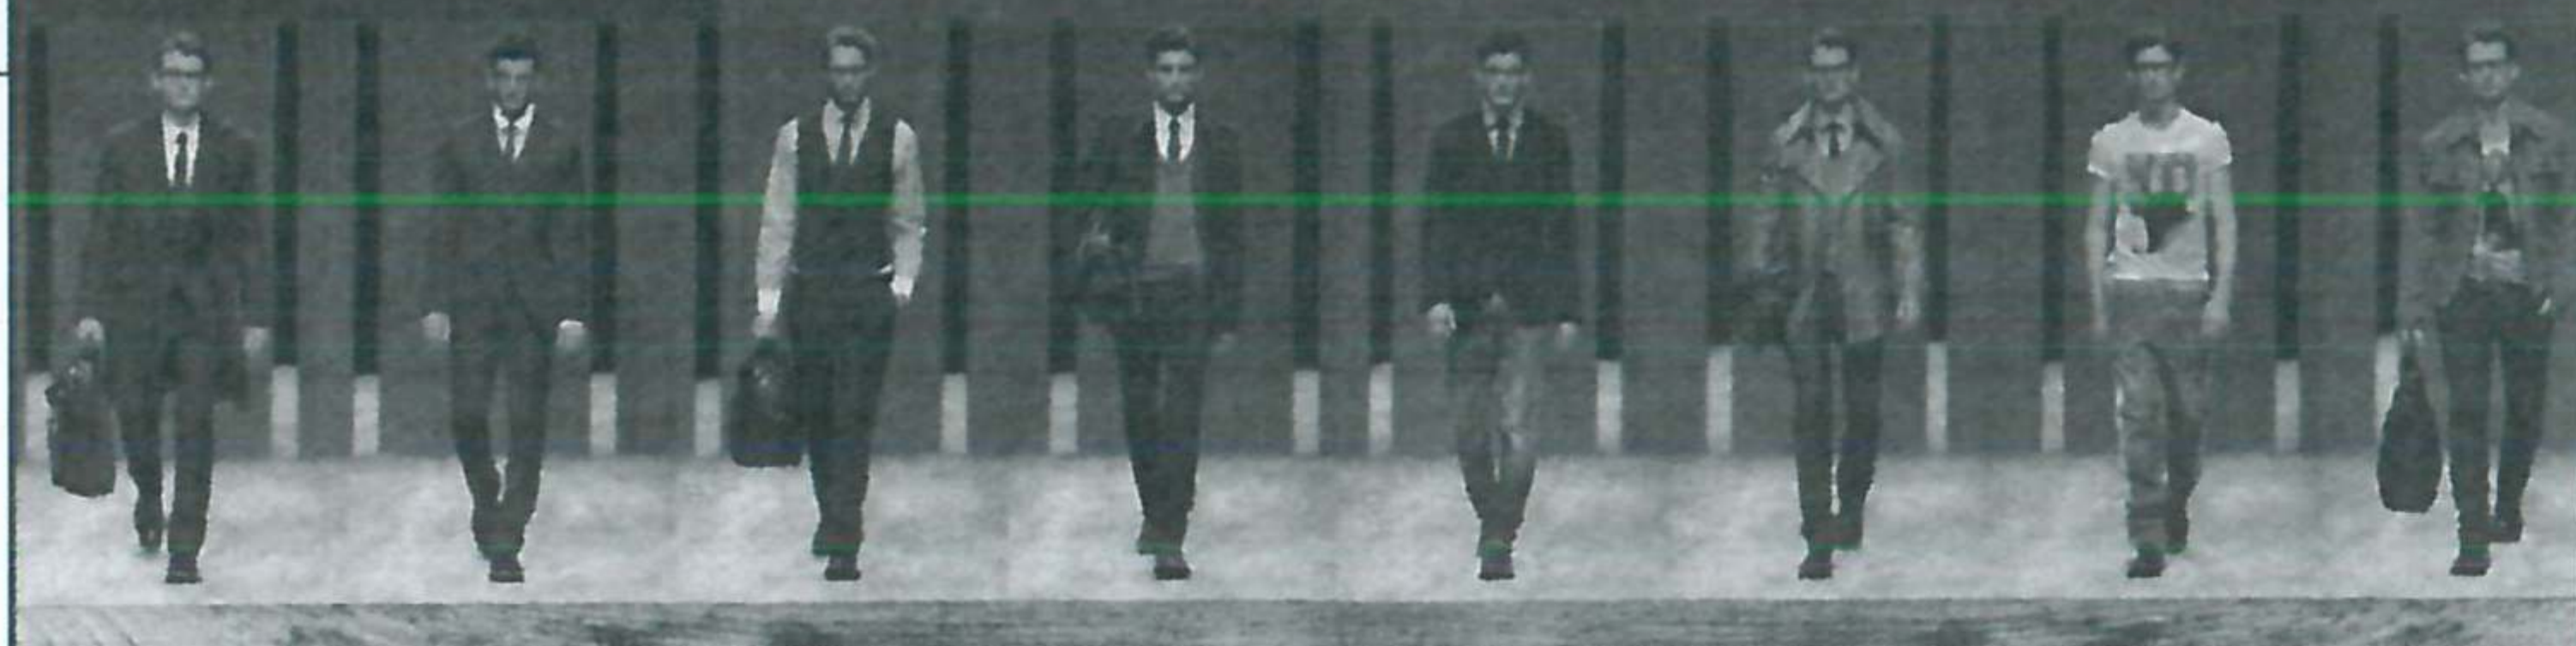

equaliser gave us parity on the day. The sum total of goals conceded in those eleven games was 33 with a mere eight in the 'goals for' column.

When it comes to competitive matches, though, our record is surprisingly much better and shows that on the two occasions when we were drawn against each other, both in the Lancashire County Cup in 1971 and 1972 we triumphed both times! The first of them was a 2-0 win here, while the second saw us come through scoring the only goal of the game at Burnden Park. And we know what a lucky ground that turned out to be for us in the eighties as well, don't we...?!

These days we have been blessed with a number of Bolton supporters adopting us as their second side and coming along to cheer us on either when Bolton are playing on a different day from our fixtures or their games are too far away to travel. A glance at the Forum on the Magpies In Space website would be enough to confirm that this is indeed the case, so doubtless they will all be out in force today. My late brother Bob was one such supporter, a tradition which has happily been carried on by his son, David. Welcome to all of you, and if we can't have you willing us on today I trust that the next time you come here you will be supporting us! Enjoy the game!

CHORLEY MARKET

Just like last year, we recently went into Chorley town centre a few weeks ago, when we launched the Junior Magpies Club and Garry Flitcroft came down to sign the Going Up commemorative book. On the day we took over £2000 from sea-

son ticket sales, thirty Junior Magpies signed up to the clubs latest initiative, which is proving to be a fantastic success for our younger fans, and we sold club merchandise. Good news we will be in the town centre again on Saturday 6th August, more information will be posted on the website and forum soon.

JUNIOR MAGPIES CLUB

Well done to Chris Foley for promoting this fantastic new initiative which is proving extremely popular with our younger fans, in the club aims to attract more families down to the ground. We now have gone over the 100 mark and I am sure still many more to join. At just £10 for the season it represents great value and there will be various offers promoted throughout the year, starting with money off vouchers to be used when purchasing selected items of club merchandise.

COMMEMERATIVE BOOK / PLAY OFF DVD

We now have new stock of the Books and Dvds, these are available from the club and are also on sale at Dr Mobiles stall on Chorley Market. In the next week or so we will be looking to site them into various shops and Pubs around town. We will list the sites on the website when they are in place.

PAYPAL

We are currently in the process of setting up an online webshop to allow fans to purchase merchandise and other items, this service should be available in the next few weeks. We know this is something fans have been waiting for and not long now to wait.

Well what a tremendous, roller coaster, promotion winning season we all experienced and enjoyed. Now we look forward with great optimism to what we hope will be another fantastic season for everyone at Chorley Football Club, hold onto your seats for what should be a great journey.

John Derbyshire, Commercial Manager.

IN TOWN TODAY

A POTTED HISTORY OF BOLTON WANDERERS, FROM THE BEGINNING TO THE PRESENT DAY.

- The club was formed in 1874 by the Vicar of Christ Church Sunday School, Bolton, when he created an outdoor recreational club.
- In 1877 the footballers amongst the club re-christened themselves Bolton Wanderers.
- The club was one of twelve founder members of the Football League in 1888.
- In 1895 the club moved to Burnden Park, which became one of the most famous grounds in the country, hosting the 1901 FA Cup Final replay.
- BWFC won the FA Cup in 1923 (the first final played at Wembley).
- During the 1930's the club slipped out of the top flight but returned in 1935 to put together a run of 29 consecutive years as members of the old first division.
- The club won the Football League North war cup in 1945 by defeating Manchester United over two legs and followed this up with a victory over the Southern winners, Chelsea, at Stamford Bridge.
- The club produced a great personality and one of England's greatest forwards in Nat Lofthouse, who went on to become the clubs record goal scorer with 285 first class goals. Nat also scored 30 goals in 33 England appearances, later becoming the Wanderers coach, manager and is now the club President.
- In 1958 the club won the FA Cup when two Nat Lofthouse goals defeated Manchester United.
- The club had its ups and downs during the 60's, 70's and 80's, and by 1987 the Wanderers found themselves in the basement of the Football League. However, the ensuing ten years brought about the most exciting decade in the clubs history both on and off the park.
- In 1993 the club gained national prominence by knocking Liverpool out of the FA Cup at Anfield.
- The Premiership was reached in 1995 with an incredible 4-3 Wembley win over Reading in the play-off final. After just one season the club were relegated but bounced back at the first attempt.
- 1996/97 season proved to be one of the most successful League season in the clubs history, as they won the First Division championship. Club records tumbled : most points in a season (98), most goals scored in a season (100) and most wins in a season (28). It also proved to be the end of an era as the championship trophy was presented at the final Burnden Park game to make it a happy ending to 102 years at the ground.
- The club kicked off the 1997/98 season back in the Premier League and at their new ground, the Reebok Stadium. Unfortunately, the club were relegated again after just one season after a 2-0 defeat at Chelsea on the final day of the season.
- The club regained top-flight status in the 2001/02 season after three seasons in Division One, beating Preston North End 3-0 in the Play-Off final.
- In 2004 the Club recorded their best finish to a season in 40 years, finishing eighth. The Club also reached the final of the Carling Cup but lost out to Middlesbrough on 29 February 2004.
- The Club qualified for European football for the first time in its 131-year history and played in the UEFA Cup in 2005/06 campaign.
- A seventh placed finish in the 2006/07 season ensured that Bolton Wanderers would play in the UEFA Cup for a second time the following season, where they reached the last 16 of the competition after beating Atletico Madrid in the previous round.
- In January 2010 Owen Coyle took over as manager and in his first full season in charge we guided Bolton to an FA Cup semi-final.

CHORLEY v PNE

Pictures by Josh Vosper

A FIXTURE FIXATION!

At 9am on Wednesday July 13th, every Chorley fan was glued to the computer checking the forum and website to see in which order we will play each other and the Magpies could not have been handed a trickier start to their return to the Premier Division writes **Richard Scott**.

The season will start with an away trip to Humberside to visit North Ferriby United, might as well get one of the longer trips out of the way early one, but NFU could well be one of the teams challenging for honours. The homecoming will be the following Tuesday as Frickley Athletic are the first visitors to The Chorley Group Victory Park Stadium, then Buxton are the second the following Saturday.

The Christmas period see the Magpies visit Bradford Park Avenue on the December 17th before Kendal Town come to town on Boxing Day. The first fixture of 2012 sees us visit old foes Marine.

The end of the season run in sees us host Staffordshire side Chasetown on Easter Saturday before a visit to Kendal Town on Easter Monday, then on our final league away trip of the season we travel to Cheshire to face Nantwich Town.

On the final day of the season we've been handed a home game and entertain Bradford Park Avenue, a side expected to be challenging at the top. In fact the final day could be an interesting day as six of the expected title contenders face one another. Ourselves and Bradford are joined by two other tasty fixtures in Chester v Marine and FC United v Northwich Vics!

OUR VISITORS

ADAM BOGDAN - GOALKEEPER

During 2010/11, Wanderers' Hungarian goalkeeper has provided important back-up in the goalkeeping department and also enhanced his ever growing reputation.

Following Ali-Al Habsi's summer loan move to neighbours Wigan Athletic, Bogdan was promoted to Jussi Jaaskelainen's understudy.

The Hungarian Under-21 international impressed whenever he was called upon after making his senior first-team debut against Southampton in August 2010.

He went on to feature in Premier League games against Arsenal, Aston Villa and Blackburn, while also playing his part in the club's run through to the semi-final of the FA Cup having featured in the previous rounds against York City, Wigan and Fulham.

Bogdan's progress was rewarded with a new three-year contract in March 2011, one which will keep him at the Reebok Stadium until the summer of 2014.

GRETAR RAFN STEINSSON - DEFENDER

Gretar Steinsson completed his third full season at Bolton Wanderers in 2010/11, making 26 appearances in all competitions.

The Iclander was a mainstay at right-back, however a couple of minor knee injuries kept him out of the team, most notably at the turn of the year.

Steinsson scored his only goal of the season in November against Tottenham Hotspur as Wanderers brought the Londoners back down to earth with a 4-2 win - just three days after Spurs had beaten reigning Champions League holders Inter Milan.

A popular character both on and off the field, Steinsson joined Bolton for £3.5m in January 2008 from Dutch side AZ Alkmar. He had started his professional career with Icelandic side Akranes before later moving to Swiss outfit Young Boys in 2004.

During his time with Bolton, Steinsson has won the Community Player of the Year in both 2009 and 2010.

His presence in Wanderers' squad continues the club's recent Icelandic tradition, following on from Eidur Gudjohnsen, Gudni Bergsson and Arnar Gunnlaugsson.

PAUL ROBINSON - DEFENDER

Paul Robinson joined Wanderers in July 2009 from West Bromwich Albion.

During his first season at the Reebok, the tough-tackling full-back competed for a place on the left side of defence with J Lloyd Samuel and made a total of 25 appearances.

Robinson made the position his own in 2010/11, missing only a handful of matches in the Barclays Premier League.

His consistent performances were recognised by his fellow teammates and Wanderers supporters as he scooped the Players' Player of the Year accolade and finished runner-up in the Player of the Year vote at the 2011 awards evening.

Since making his Football League debut in 1996, Robinson went on to accumulate 490 first-class appearances with both Watford and West Bromwich Albion.

In 2008 he was recognised for his reliable displays in the Baggies'

successful league winning season by earning a place in the PFA Championship Team of the Year.

GARY CAHILL - DEFENDER

The 2010/11 campaign was a season to remember for Gary Cahill, whose commanding performances in the heart of Bolton's defence finally resulted in international recognition.

The Sheffield-born star earned his first full cap in September 2010 against Bulgaria before making his full debut against Ghana the following March.

On the domestic scene, Cahill once again fortified his reputation as one of the country's hottest prospects with commanding performances at the heart of Bolton's defence alongside Zat Knight and David Wheeler.

The highlight of Cahill's season was when Bolton faced Aston Villa in March 2011, when he bagged a brace against his former club to help Wanderers record a 3-2 win at the Reebok.

The previous season - in 2009/10 season - the former Aston Villa man, who was purchased for a fee of £5m in January 2008, chipped in with an impressive seven goals from defence.

Cahill has shown great mental strength and attitude to recover from a blood clot in his left arm - which resulted in 7 weeks on the sidelines - to return to full fitness and play an important part in Wanderers' run-in in 2009/10.

Prior to joining Wanderers, the central defender came through the ranks at Villa Park. He is best remembered amongst the Aston Villa fans for his superb volleyed goal against city rivals Birmingham in the derby in 2004.

He also had a short spell on loan at Sheffield United in 2007, where he made 16 appearances and scored two goals.

FABRICE MUAMBA - MIDFIELDER

Fabrice Muamba completed his third full season at Bolton in 2010/11, where he was a virtual ever-present by making 41 appearances in all competitions.

His only goal of the campaign arrived in December when he scored in Wanderers' 2-1 derby win over Blackburn Rovers at the Reebok Stadium.

This followed an impressive 2009/10 campaign, where the former Arsenal and Birmingham man finished in the top three for the Player of the Year award.

Muamba signed a new four-year contract at the Reebok in August, keeping him with Bolton until the summer of 2014.

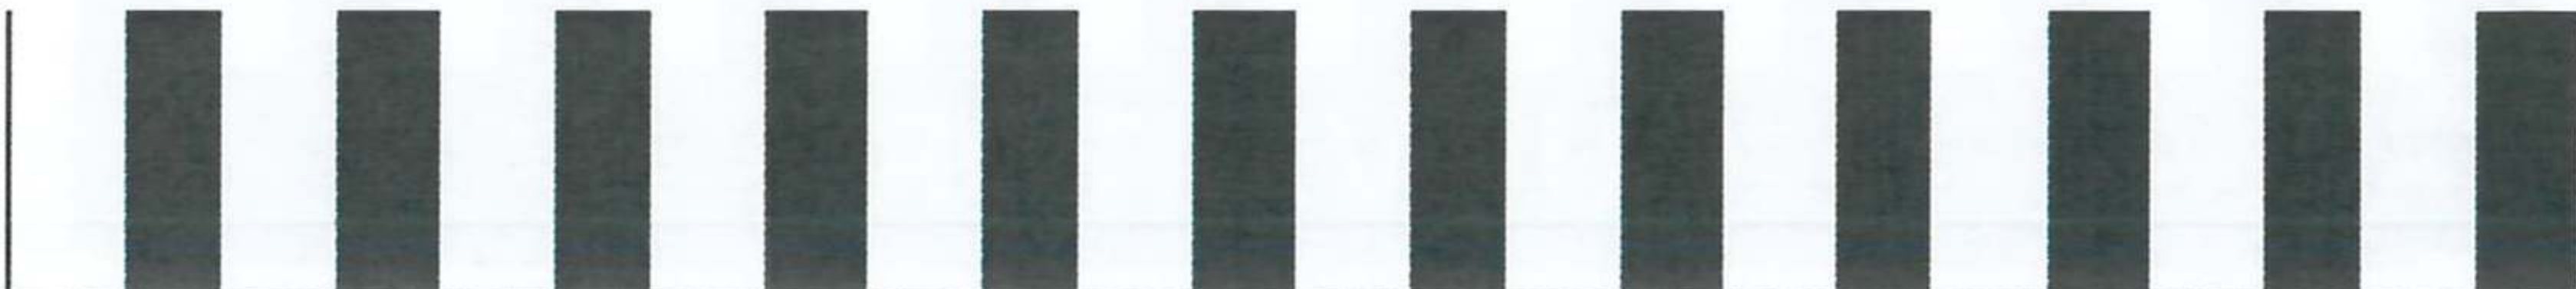

The tall, athletic midfielder joined Wanderers from Birmingham City in the summer of 2008 in a deal worth over £5m.

A product of Arsenal's famed youth Academy, the midfielder has represented England at every youth level, from Under-16 to 21.

Indeed, over the last four years Muamba has been a regular in Stuart Pearce's England Under-21 squad and he appeared at the European Championships in Denmark this summer.

MATTHEW TAYLOR - MIDFIELDER

Matt Taylor joined Wanderers in January 2008 for a fee in the region

of £4m from Portsmouth.

He played in excess of 170 games for Pompey, having moved to the south coast in 2002 from Luton Town - the club that gave him his break in professional football.

Taylor, famed for his brilliance from set-piece situations, has become a regular feature in Wanderers squad over the last three-and-a-half seasons and recorded over 140 appearances and 23 goals in a Bolton shirt as of the summer of 2011.

In 2010/11, Taylor competed for a position on the left-side of mid-field with Martin Petrov. He managed a total of two goals, which arrived in the home game against West Bromwich Albion and the trip to Bloomfield Road to play Blackpool.

STUART HOLDEN - MIDFIELDER

The Americal international, who joined in January 2010 from Houston Dynamo, has proven to be a real hit at the Reebok Stadium.

Having endured a stop-start first six months, his career with Bolton really took off in his first full season as he became a focal point in central midfield.

Holden was handed the number eight shirt at the start of the 2010/11 campaign and went on to make a total 26 appearances in the Premier League before his season was brought to an unfortunate end at Old Trafford in March.

The Aberdeen-born man was hurt in a challenge with Johnny Evans and was forced to undergo surgery on a knee injury.

Still, having previously chipped in with goals against Wolves and Blackburn, Holden's displays had been recognised amongst the Wanderers faithful and he was the proud recipient of the 2011 Bolton Wanderers Player of the Year trophy.

The previous summer, Holden had been a part of the USA's World Cup 2010 campaign, helping them reach the last 16 before losing to Ghana.

Holden, who was born in Scotland, arrived at the Reebok with the reputation as an attack-minded midfielder, who has spent the vast majority of his career in the MLS.

Prior to his move to Bolton, the 24-year-old represented Houston Dynamo for three-and-a-half years, helping the Texas-based club to become the MLS Cup Winners in 2006.

MARTIN PETROV - MIDFIELDER

Bulgarian international Martin Petrov joined Bolton Wanderers from Manchester City on a Bosman on July 1, 2010.

Petrov boasts a wealth of experience at the top level having played in the German Bundesliga with Wolfsburg, La Liga in Spain with Atletico Madrid and, most recently, in the Barclays Premier League with Manchester City.

Indeed, the winger had spent the three previous seasons at Eastlands, where he moved for a fee of £4.7m in July 2007.

He played an important part in Manchester City's achievements during that time, making 66 appearances and scoring 12 goals.

Petrov, who is renowned for possessing a venomous left-foot shot, is also a regular in the Bulgaria national side.

He has earned 77 caps since making his debut in 1999 and was part of the squad that reached the European Championships in 2004, where he scored against Italy.

That strike was one of 19 goals scored on the international stage. In 2010/11, Petrov made 28 appearances for Bolton and scored goals against Manchester United, Tottenham and Blackpool.

RICARDO GARDNER - MIDFIELDER

In his 13th year at the Reebok, the fans' favourite contributed in the final weeks of the season as Wanderers successfully completed their tenth season in the Barclays Premier League.

The Jamaica captain battled with a knee injury for the first six months of the 2010/11 season before returning to fitness after the turn of the year.

Gardner enjoyed a month-long loan spell at Preston as he gained his match sharpness before making his first Premier League appearance of the campaign at Fulham in April.

Gardner first came to attention at the World Cup in 1998, where he starred for the Reggae Boyz at their first ever appearance at a World Cup finals.

'Bibi' joined the club in the months later, arriving from Harbour View in a £1m deal, and has since become one of the most loyal servants in the club's history.

In 2007, Gardner's contributions earned him the Bolton Wanderers' Player of the Year award.

Other notable highlights include his goal in the 2001 Play-Off final against Preston North End and when he also found the net in the Allianz Arena against Bayern Munich during the club's 2007/08 UEFA Cup campaign.

Gardner now has more than 400 games under his belt in a Bolton shirt and could be set to accumulate even more should he accept the offer of a new contract at the Reebok.

ZAT KNIGHT - DEFENDER

Zat Knight moved to the Reebok in July 2009, on the same day Wanderers also swooped for Sam Ricketts.

Standing at six foot six inches tall, Knight has a decade worth of Barclays Premier League experience, having gained promotion from Division One with Fulham in 2001.

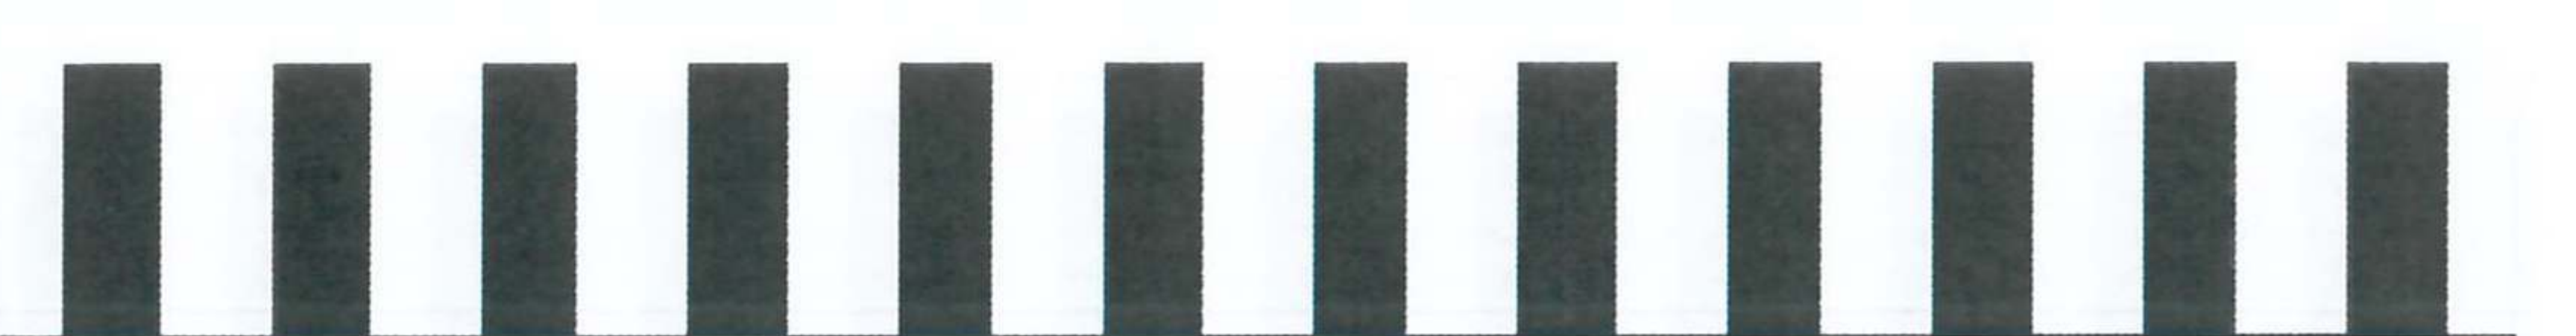

The former England U21 international made a total of 181 appearances for the Cottagers, before moving to Aston Villa in August 2007, where he marked his debut with a headed goal against Chelsea.

The defender has also received full international recognition with England, earning caps against USA and Colombia in 2005.

During his two years with Bolton, Knight has been one of the first names on the Bolton Wanderers team sheet.

He has scored two goals to date for the Whites; the winner in the 1-0 home win over Wolves in February 2010 and the opener in 2-2 draw with Manchester United at the Reebok in September of last year.

Knight was an ever present in the Bolton side under Owen Coyle's management up until February of 2011 when he was left sidelined

for seven weeks after sustaining a knee injury in the 2-0 home victory over Everton.

ROB LAINTON - GOALKEEPER

Rob Lainton joined Bolton Wanderers' academy at the U15 level and has since progressed through to the first-team level, via the U18s and Reserve sides.

Born in Hyde, Lainton was considered as the third choice goalkeeper for the 2010/11 season behind Jussi Jaaskelainen and Adam Bogdan.

The young stopper got his first taste of action in a Bolton Wanderers matchday squad in the Barclays Premier League in the away fixture at Arsenal, acting as substitute goalkeeper with Jaaskelainen suspended.

Working his way up through the ranks, Lainton believes that it is a dream come true to be involved with a Premier League club.

He said: "When I came to the club in the youth team then it was the level I aspired to. When you are training on one pitch and see the big names on the other then you want to one day be over there.

"Now it's great that I'm actually there and the lads are great with me too because they treat me as part of the group.

"Hopefully I can continue as I have been doing."

Lainton is expected to be at Bolton Wanderers for the foreseeable future having signed a new two-year contract in March 2011, keeping him at the Reebok until the summer of 2013.

KEVIN DAVIES - STRIKER

No player epitomises Bolton's fighting spirit more than Kevin Davies, who has been a colossus since he joined the club on a free transfer from Southampton in 2003.

And the long-serving frontman once again excelled in his second full season occupying the captain's armband.

Davies chipped in with crucial goals in crucial games, including a brace in the 4-2 victory over Tottenham Hotspur and a penalty in the 3-2 FA Cup quarter-final win over Birmingham City.

The former Chesterfield man started all 38 of the team's Premier League games.

The 2010/11 season also proved to be a landmark campaign for the 34-year-old as he earned his first England cap in the Euro 2012 qualifier against Montenegro in October.

When Kevin Nolan departed to Newcastle United in January 2008, the hugely respected striker was the natural choice to succeed him as captain, and he has carried out the role with typical enthusiasm ever since.

Speaking after his appointment, Davies said: "I've always been prepared to put my body on the line for Bolton Wanderers.

"I feel I have the respect from the fans, the players and the staff here so I'm really excited and now I just want to try and set an example during the time that I wear the captain's armband."

Davies notched his 50th goal for Bolton during the 2-1 home victory against West Ham in February of 2009.

He was also the worthy winner of the 2009 Player of the Year award and, most recently, the 2011 Community Player of the Year accolade.

MARK DAVIES - MIDFIELDER

Mark Davies moved to Bolton in January, 2009, after the Whites struck a deal with Wolverhampton Wanderers for his services.

The highly-rated midfielder penned a four-and-a-half year deal with the club, after swapping Molineux for the Reebok Stadium for an undisclosed fee.

The starlet had been on loan at Leicester City during the first half of the 2008/09 season - scoring three goals in ten appearances to help the Foxes reach the summit of League One.

Davies was originally a product of the youth academy at Wolves but rose through the ranks to make his first team debut against Leeds United in August 2005. He went on to make a total of 35 appearances for the Black Country outfit.

He made his first appearance for Wanderers in January 2009, as a second half substitute in the 2-2 draw with Blackburn Rovers, and was subsequently handed his full debut three days later in the home victory over Tottenham Hotspur.

During 2010/11, Davies was a vital cog in centre midfield, offering an extra attacking option from the centre of the pitch.

He made 31 appearances and scored what was later crowned as the club's Goal of the Season when Bolton fought back from two goals down to earn a 2-2 draw with Blackpool in November 2010.

An ankle injury curtailed Davies' season a month early, however after undergoing surgery he is expected to be fit for the start of the upcoming 2011/12 campaign.

Davies signed a new deal in February 2011 and is now contracted at the Reebok until July 2015.

IVAN KLASNIC - STRIKER

The Croatian international re-signed for Wanderers on a permanent basis in the 2010 summer transfer window after spending the previous season on loan from Nantes.

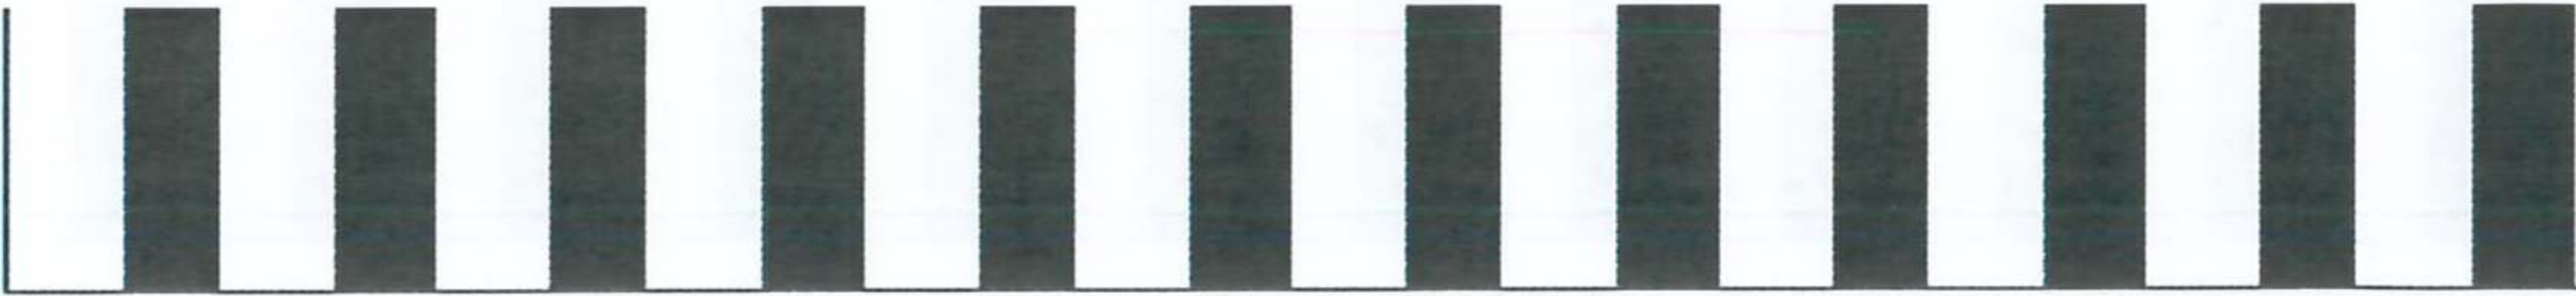

He scored eight goals in his first year in English football, with his outstanding contribution coming against Manchester City last November when the former Werder Bremen man claimed a superb brace of goals in an enthralling 3-3 draw with the big spending Blues.

In 2010/11, Klasnic was mainly deployed as a substitute, but his goalscoring credentials helped Bolton earn important home league victories against Stoke City and Aston Villa.

The Hamburg-born man did earn a number of starts in the FA Cup, where he netted the decisive goals in the 1-0 wins over Wigan and Fulham in the fourth and five round ties, respectively.

Klasnic has enjoyed a career predominantly in the German top-flight with Werder Bremen, with one year in French football with Nantes

Having built his reputation at St Pauli, Klasnic joined Bremen, where he stayed for seven seasons. The Hamburg-born frontman helped them win the Bundesliga during the 2003/04 campaign, and the following season had his first taste of Champions League football, scoring five goals during the group stage.

The vastly experienced frontman has also found the net on 11 occasions for Croatia in 37 appearances, with two of those strikes coming against Poland and Turkey at the 2008 European Championships.

SAMUEL RICKETTS - DEFENDER

The versatility of the Welshman has proved invaluable to Wanderers' cause during his first two seasons at the club.

Prior to signing a three-year deal at the Reebok in the summer of 2009, Ricketts was a mainstay in the Hull City defence during the 2008/9 campaign, helping to preserve the Tigers' Barclays Premier League status during their debut season in the top-flight.

The Aylesbury-born defender made his Football League debut in 2000 with Oxford United, accumulating a total of 48 appearances for the club. Whilst with the U's, Ricketts also enjoyed a short stint on loan with Nuneaton Borough, before later moving to Telford United on a permanent deal.

Impressive displays eventually earned a move to Swansea City in May 2005 and it was at Vetch Field where Ricketts established his reputation during a three-year spell.

A move to Hull City followed in July 2006 and within two seasons he had played his part in securing the club's promotion to the Barclays Premier League for the first time in its history. In total, Ricketts made 129 appearances for the Humberside-based outfit.

Ricketts has played in a variety of roles since moving to Bolton, including left-back, centre-half and centre midfield. However, it is at right-back where he has made the majority of appearances having competed for a position in the team with Gretar Steinsson.

Ricketts 2010/11 season was cut short in February when he snapped his Achilles tendon during the FA Cup fourth round tie at Wigan. He is expected to be sidelined for six months, meaning a return to action is expected in September/October of 2011.

He is also a regular member of the Welsh national squad, earning more than 40 caps.

ROBBIE BLAKE - STRIKER

Robbie Blake joined Bolton Wanderers on a free transfer from Burnley in the summer of 2010.

A prolific goal scorer at every level he has played, Blake shot to prominence at Bradford City in 1997 when he moved from Darlington for £300,000.

He helped Bradford to promotion into the Premiership, netting the winning goal in the final game of the season that saw them finish league runners-up.

Blake became a household name at Bradford City, scoring 40 goals for the club in 153 appearances.

Burnley paid £1m for his services in 2002. However, a hernia injury hampered his start at Turf Moor and it was only when he shook off the problem the following summer that he grabbed the new opportunity with both hands and scored 22 goals in the 2003/04 season.

The 2004/05 season attracted a £1.25m bid from Birmingham and Blake was St Andrew's bound.

However, Blake struggled to make an impact with Birmingham and made only 11 first team appearances in which he managed to score

two goals.

He joined Leeds in the summer of 2005 for around £800,000. However, it was only when Dennis Wise replaced Kevin Blackwell at Elland Road that he became a regular.

And following Leeds' relegation to League One at the end of the 2006/07 season, Blake re-joined Burnley for his second spell at the club in July 2007, leaving Leeds in a deal worth an initial £250,000.

Blake will spend a second season at the Reebok Stadium after agreeing a one-year contract extension, one which will tie him down until the summer of 2012.

JUSSI JAASKELAINEN - GOALKEEPER

Consistency is a trait that supporters have come to expect from the club legend, and that has once again been apparent over the course of the 2010/11 season.

The Finnish stopper, who moved to the club from his homeland in 1997, was rewarded for his loyalty with a testimonial in 2009, which took place against Scottish outfit Hibernian a week before the 2009/10 season started.

Jaaskelainen made his 500th appearance for Bolton against Birmingham in an FA Cup quarter-final tie in March 2011.

During 2010/11, Jaaskelainen saved two penalties; against Carlton Cole of West Ham United at Upton Park and Ashley Young of Aston Villa at the Reebok Stadium.

Jaaskelainen is sure to be remembered as one of the best pound-for-pound signings in Wanderers' proud history after a remarkable stint as the club's undisputed number one, and he was recognised for the loyalty when he received an Outstanding Achievement award at the 2011 Player of the Year Dinner.

The long-serving goalkeeper was a relative unknown when he joined the club from VPS Vaasa in 1997 for what was a bargain £100k fee.

SEAN DAVIS - MIDFIELDER

Frustratingly for both Wanderers' supporters and Davis himself, the midfielder has only been able to feature in four competitive matches since joining on a free transfer from Portsmouth in the summer of 2009.

Wanderers secured his services on a three-year deal after his contract expired at Fratton Park.

The club had a prolonged interest in the former Tottenham and Fulham star, having failed to bring him to the Reebok six months earlier when Pompey rejected a bid of £3m.

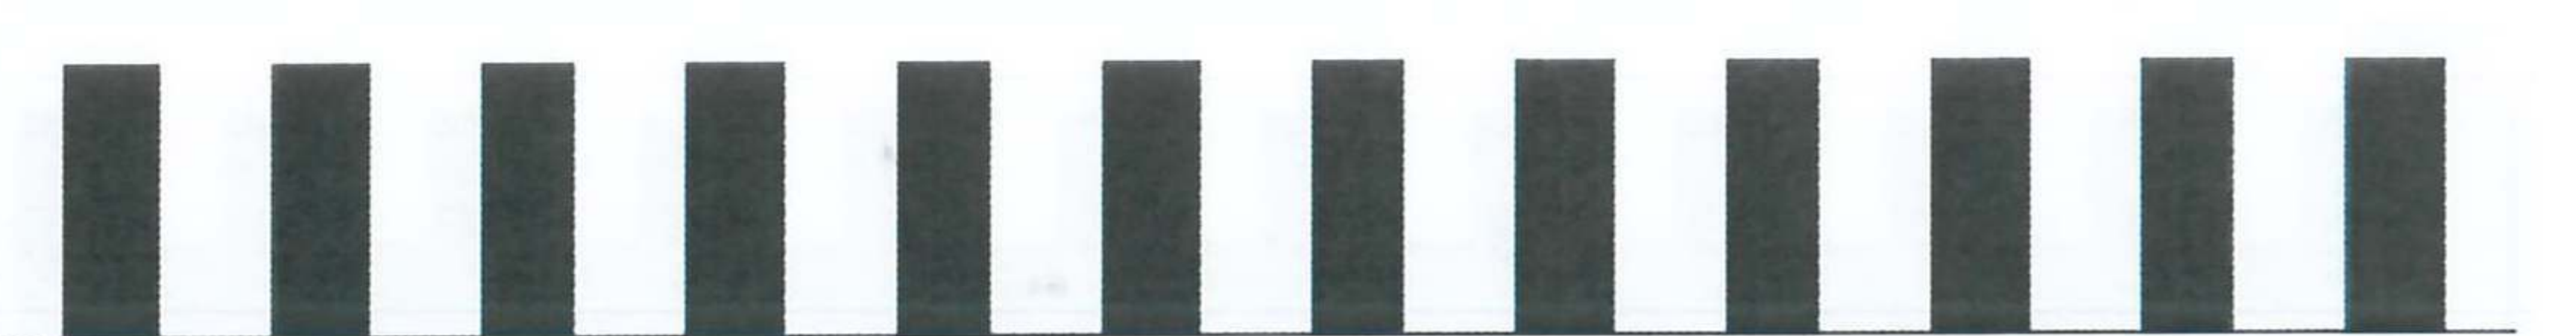

Davis has a wealth of Premier League experience, having accumulated nearly 200 top-flight appearances with Fulham, Spurs and Pompey.

He is also a former England U21 international, earning 12 caps between 2000 and 2002.

Davis is looking to put his knee injuries behind him and make a return to playing duties at the start of the 2011/12 season.

MARCOS ALONSO - DEFENDER

Marcos Alonso joined Bolton Wanderers from Real Madrid in the summer of 2010 having progressed through the ranks at the San-

tiago Bernabeu.

The highly-rated 19-year-old has agreed a three-year deal at the Reebok Stadium and footballing background with his grandfather representing Real Madrid in the late 1950s and early 1960s, while his father enjoyed a five-year spell with the La Liga club's major rivals Barcelona in the mid 1980s.

Alonso, who is a natural left-sided defender, added competition to Paul Robinson at left-back during 2010/11.

He made his debut for Wanderers in the pre-season victory against St Johnstone at McDiarmid Park and later went on to make nine competitive appearances throughout his first season with Bolton.

CHUNG-YONG LEE - MIDFIELDER

The South Korean winger has followed-up his impressive debut first season in English football with yet another sterling campaign in 2010/11,

Moving to the Reebok from FC Seoul, the South Korean international signed a three-year deal for an undisclosed fee after being granted a work permit and receiving international clearance on 14 August 2009.

In a different culture, playing a different style of football, the 'Blue Dragon' excelled and became a firm fans' favourite with the skills and ingenuity which made him one of the most exciting prospects in Asia prior to his transfer from FC Seoul.

He announced himself with the winning strike against Birmingham City just weeks after moving to England and went on to score further goals against Everton, West Ham United, Lincoln City and Burnley - all matches Bolton went on to win in 2009/10.

These achievements helped him to secure the 2010 Bolton Wanderers Player of the Year award.

He played a starring role in South Korea's World Cup run where he scored goals against Argentina and Uruguay as they reached the last 16 stage.

Returning to Bolton in August of 2010 after his exploits in South Africa, the flamboyant winger carried on where he had left off in a Bolton shirt as he scored goals against Stoke City and Newcastle United in late 2011.

Chung-Yong also netted at St Andrew's for the second season in succession when he headed a dramatic last minute winner to book Wanderers' place at Wembley for the FA Cup semi-finals, as Bolton edged a pulsating last-eight tie by 3-2.

DAVID WHEATER - DEFENDER

Former England under-21 international Wheeler penned three-and-a-half year a deal at the Reebok Stadium in the 2011 January transfer window arriving from Middlesbrough for an undisclosed fee.

Wheater had been with the Teesside club since the age of 17 and scooped the FA Youth Cup in the 2003/04 season. He later went on to captain the first team and represent Middlesbrough in Europe, before call-ups to the full England set-up followed.

Having also enjoyed previous loan spells with Doncaster Rovers, Wolverhampton Wanderers and Darlington, Wheeler left the Riverside Stadium having amassed over 150 appearances and looks set to play a big part in Wanderers' future.

Wheater made 11 appearances for Bolton towards the end of the 2010/11 campaign after completing his move from Middlesbrough. And during his first 345 minutes in a Wanderers shirt, the team did not concede a goal.

TEMITOPE OBADEYI - STRIKER

Temitope Obadeyi is an exciting young striker with a bright future in the game, having progressed through the ranks at the Reebok.

During the 2009/10 season, Obadeyi has gained vital first-team experience in two separate loan spells at Swindon Town and Rochdale.

In his time at Spotland, the former England U19 international helped Rochdale romp to automatic promotion in League Two - the first time in the club has been promoted since 1969.

He made the breakthrough into the Bolton first team squad when he was included on a pre-season trip to Greece in the summer of 2008, making his first start in a friendly against European Giants AEK Athens.

Recognised as an outstanding talent from an early age, he was plucked from Coventry City's academy by Wanderers, who beat off interest from a number of other high-profile clubs.

Obadeyi has been a regular fixture in the reserve team but did come off the substitutes' bench on three occasions for the first team during the 2008/09 campaign, most notably against Arsenal and Manchester United.

TOM EAVES - STRIKER

Tom Eaves was Wanderers' fifth recruit in the 2010 summer transfer window.

The 18-year-old signed a three-year contract at the Reebok Stadium after moving from Oldham Athletic for an undisclosed fee.

The transfer came just two weeks after the striker notched an impressive hat-trick against the Whites in a pre-season friendly at Boundary Park.

Eaves progressed through Oldham Athletic's Centre of Excellence under the guidance of former Wanderer Tony Philliskirk before making his Football League debut against Millwall in January of this year.

He went on to tally a total of 15 appearances for the Latics last season, with his performances catching the eye of a number of suitors including that of Owen Coyle.

Indeed, the Bolton boss believes that the club has signed a player with great potential and he is looking forward to integrating the Liverpool-born youngster into the Wanderers' setup.

Although Eaves didn't make a competitive first team appearance in 2010/11, he hit double figures in terms of goals in John Hnery's reserve team setup.

Joe Riley, Rhys Bennett, Tom Eckersley, Mark Connolly, Sam Sheridan, Adam Blakeman, Maison McGeechan, Michael O'Halloran, Josh Vela have all progressed through the Wanderers reserve side and will be pushing for places in the first team squad this season.
